CHARGED WITH ASSAULT TO DO BODILY HARM

Sonoma Youths Arrested Following Row in Which Bert Brown Has Leg Broken.

Following a row last Friday night which began at Jack Main's place at Yerano and ended near Caliente where Bert Brown had his leg badly broken in a fracas, warrants were sworn out for the arrest of Tom Farrell and Dan Kennell charged with assault to do great bodily harm. Officers state that Farrell went to Main's resort where Brown was cutting pumpkins for a Halloween party and after a quarrel in which he was badly cut on the hand with the knife which had been used to make jack-o-lanterns he left the place and came to town for medical treatment. After his hand been dressed by a local physician he and Kennell are alleged to have followed Brown to Caliente where they fought again. Brown's leg was broken and when a physician was called he found him to be in a serious condition. He was removed to the County Hospital.

Young Farrell and Kennell were brought before Judge Small and released on cash bail for their appearance later before the Court.

Brown a recent comer is well known about the resorts of the valley.

Miss Kathleen Cadwallader of San Francisco has been visiting her friend, Miss Anna Bolin of El Verano. Miss Cadwallader is a private secretary for a large San Francisco firm.

Mr. and Mrs. Carl Gardner and the Gardner family were here last Sunday visiting at the Dodge ranch. Mr. and Mrs. Gardner remembered the fire engine fund with an acceptable check while in town.

A cablegram has been received by Mr. and Mrs. A. Froment announcing the safe arrival in Paris of their daughter Eugenie, and her aunt, Mrs. E. Legallet.

Prof. A. Krasof, vocal instructor, was in town Wednesday from Petaluma and Santa Rosa.

MRS. L. S. SIMMONS UNDER CARE OF SPECIALISTS

Following the death last week of her sixteen year old idolized son, Mrs. Lloyd Simmons suffered a collapse and hysteria which has necessitated her being put under the care of specialists. Dr. Freymuth family physician from San Francisco and a specialist on nervous cases advised absolute quiet, rest and specific treatment for the patient.

Friends of the family are deeply grieved at the illness of the bereaved mother and trust it will be but a short time before good news is received from her bedside.

CARD OF THANKS

We wish to express our sincere thanks to all those who so kindly came to our assistance during our recent trouble and bereavement in the loss of our beloved son and brother.

Mr. and Mrs. H. Laux,
John F. Laux

JOHN PLUTH'S GRILL IS POPULAR PLACE

John Pluth's grill is enjoying a fine patronage both from the local trade and traveling public. Sonoma's favorite eating place where short orders at popular prices are served day and night has filled a long needed want in Sonoma.

Mr. Pluth knows how to serve both "eats" and drinks. He is serving oyster, shrimp and crab cocktails and will also have home made tamales and enchiladas for his customers.

When in doubt what to eat drop in at the Eagle Grill and Mr. Pluth will serve you the best the market affords.

Fred Cereghino of Petaluma is visiting his brother, Tony and family. The Vera Westrop place formerly the residence of Chas Spindler has been newly painted by Muller and Downey.

Lea for Congress and Lowell for Supervisor are Choice of Local Voters

SPIRITED ELECTION TUESDAY RESULTS IN BIG LOCAL REPUBLICAN VOTE THOUGH PHELAN-SHORT-RIDGE CONTEST WAS CLOSE HERE

A perfect day Tuesday brought out a big vote in every precinct of Sonoma Valley and resulted in work for the election boards until far into the night. For Congress Clarence F. Lea received a total of 803 votes against his opponents 337. Lea carried every precinct in the Sonoma Valley.

For Supervisor Fred Lowell defeated the incumbent J. H. Weise by something like 500 votes in the district.

In Sonoma Valley Weise carried his own precinct East Glen Elmore more than three to one while Lowell won out in Vineburg, his precinct by more than three to one.

Sonoma No. 2 polled a tie vote for the candidates. In San Luis Weise was beaten just 5 votes. In El Verano there were ten votes between Weise and Lowell. In Agua Caliente Lowell received 75 to Weise's 73 votes. Sonoma No. 1 went for Lowell strong as did the Petaluma side of the District.

The contest for United States Senator between Phelan and Shortridge was close here as the figures in the various precincts will show. For Superior Judge Emmet Seawell and Rolfe Thompson received a big vote, although there was a feeble attempt to write in the name of Judge Denny who was eliminated at the primaries.

The amendments were voted on with much interest and considerable discrimination. The anti Jap sentiment was pronounced as was opinion adverse to amendment 2, the prohibition measure.

The community property measure was defeated as was the Single Tax plan.

The school measure 16 carried while the University amendment No. 12 was close.

Following are the results in Sonoma Valley precincts in detail:

YOUNG EX-SERVICE MAN TAKES HIS OWN LIFE

George Laux, Son of Pioneer Residents of Sonoma Comes To Tragic End at Home Here

George Laux, son of Mr. and Mrs. Herman Laux pioneer residents of Sonoma came to a tragic end here Wednesday evening when he committed suicide by shooting himself in the head. Laux had served in the army during the war and shell shock and an accident he subsequently met with are held responsible for the terrible deed.

The young man had been at home here with his parents for some time past and brooded over his ill health. About five o'clock Wednesday evening neighbors heard a gun shot and upon investigation found that the ex-soldier had gone into the barn loft, tied a shot-gun to a chair connected the trigger of the weapon with a string and killed himself. His head and face were badly shattered and death was instantaneous.

Coroner Phillips was communicated with and Thursday morning held an inquest the verdict being suicidal death from shooting while temporarily insane.

George Laux was an old Sonoma boy and had been a successful railroad man before going to war. He served 28 months overseas and participated in many notable engagements during which he was gassed and shell-shocked. After his return from France he reentered the railroad service and shortly afterwards met with an accident which necessitated the taking of 16 stitches in his head. This accident coupled with his experience while in war are held responsible for the rash deed which shocked the entire community when it became generally known Wednesday.

The unfortunate young man was among the first to go overseas, leaving New York in October, 1917 and arriving in France on November 3rd of that year. He was a member of the 4th company, Coast Artillery. He went all through the horrors of war and could never be induced to talk about his awful experience after his home coming.

Laux was returned with casualties arriving in New York July 30, 1919. He received his discharge from the regular army reserves after being stationed at Benicia arsenal two months.

Deceased was 37 years of age and leaves a brother besides his aged parents to mourn his untimely end. The funeral took place Friday morning and after services at St. Francis church, the remains were laid to rest in peaceful precincts of the Catholic Cemetery. The pall bearers were Theo. Keiser, Rae Hunter, N. Dal Pogetto, Dr. Gottenberg, Dal Emparan and W. L. Murphy.

Art Gale of Winters was in town Tuesday to cast his vote for Fred Lowell. Mr. Gale reports business very good in the baking line. He says he has mastered doughnuts and biscuits.

Mrs. S. H. Whiting leaves Rocky Haven, her Boyes Springs bungalow for her city home tomorrow. She will spend the winter in San Francisco as usual.

Attorney Clay of San Francisco was here on business with his clients, Mr. and Mrs. A. Castagnet last Sunday.

Mrs. Frank McGill and a party of friends of Napa attended the Halloween dance here last Saturday evening.

THE NEW SUPERVISOR

THE CONTEST for Supervisor of this district has ended with the election of Fred Lowell by a handsome majority. We congratulate the winner on his victory and the kind of a campaign he made. The campaign just closed has been characterized by a good spirit all the way through. There has been no acrimony or unkindness. The winner made a clean, manly race for the office. His opponent did likewise, the latter's friends loyally supporting him. Two good men made the race in gentlemanly fashion and the best man won.

Mr. Lowell should make an excellent supervisor. He is not aggressive, but enthusiastic and energetic. He won through his personality and unblemished record as a good citizen and business man. If he goes after highways and good roads like he did after the office we can expect to see some fine roads in Sonoma Valley during the next four years. Mr. Lowell goes into political life with a fresh perspective and takes hold of the district at the threshold of a promising era. We have our County Engineer situation cleared up and much good foundation work has been done by Mr. Lowell's predecessor.

Not promiscuous in his pre-election promises we believe the incoming supervisor will therefore be stronger on performance and that much good constructive work will characterize his administration. Sonoma Valley is fortunate in seating on the Board of Supervisors the type of man Mr. Lowell is. A successful business man who knows enough of politics to remain a free agent and not be dominated by any clique or clan we see no reason why the business of this Supervisorial district should not only be safe in his hands but wisely carried on in the interest of the people generally. Sonoma Valley is fortunate in getting smiling Supervisors. Blair Hart's merry twinkling eye is well remembered. Weise was called smiling Harry, and now that we have Fred Lowell with his million dollar smile, it looks as though we should come "smiling through."

We have all had our ups and downs in road matters. Let us hope the new Supervisor has a long stretch of smooth going before him and that Sonoma Valley so naturally beautiful and attractive will come to have during his incumbency smooth enduring highways second to none in the State of California. Success to you Mr. Lowell.

THE REPUBLICAN VICTORY OF TUESDAY

THE VOICE of the people of the United States was heard throughout the nation on Tuesday last and gave overwhelming endorsement of a Republican administration of our affairs at Washington. It was freely predicted that the country was ripe for a change and demanded it.

The party who sponsored and carried on the war was doomed to defeat for the conduct of a war is no small matter and the putting of the United States on so stupendous a war basis in such an incredible time was bound to be attended with mistakes and disasters for which it had to account later. The war undoubtedly cost the Democrats this election. That their defeat was a repudiation by the American people of the League of Nations we do not believe and it will only be a question of a short time when an alignment of the great nations to avert war will be concerned in, and urged by this country. Just what form it will take or how modified remains to be seen but the slogan America for Americans only and the ignoring of other nations so long as we prosper is unthinkable and unworkable as the late war crisis proved.

The Republicans, long the party of construction, are hailed by the nation at this crucial period in American affairs as the guarantors of more healthy progress and more stable basis than the one on which we have been enjoying inflated prosperity. We believe that the greatest good which will come of President Harding's regime will be the healthier economic tone of the country and the restoring of the old fashioned theory of increased production with more encouragement to industries.

The election of a Republican senator from California to strengthen the hands of the President was in the interest of unity and harmony. The choice of Senator Samuel M. Shortridge is a happy one. Mr. Shortridge is a man who will bring distinction to his office at Washington. A brilliant lawyer and forceful speaker, a self-made man of high ideals, we have every reason to be proud of the new Senator from California.

The re-election of Clarence F. Lea to Congress is nothing short of a brilliant victory in the face of a great Republican landslide. It shows the confidence of his constituency in this splendid young statesman of ours and is a repudiation of those who sought by eleventh hour methods to confuse the public mind and prejudice the voter through blind partisanship against as able and conscientious a representative as this Congressional district has ever had. Mr. Lea is to be congratulated on his victory and can be counted on for the continuation of the good work he has done at Washington in behalf of his District and its needs.

All in all the next four years promises to be one of great interest in national life. With an editor and newspaper man in the presidential chair, the affairs of the country should be guided with a rare understanding and sympathetic insight into the needs of the country for the editor is trained to work for the best interest of his community and in his broader sphere Mr. Harding will undoubtedly and naturally grasp the larger duties imposed on him, that of working for the best interest of the nation. All hail our new editor President.

EASTERN GRAPE BUYERS CLOSE SEASON HERE

C. Conforti and his partner P. Fornica of New Jersey have closed a very successful and profitable season in this section during which they purchased and shipped between one hundred and one hundred and fifty carloads of grapes. Mr. Conforti left for Los Angeles Thursday where he ships a big consignment of prickly pears from Arizona which sell in New York for 15c a piece. He also is shipping many California walnuts purchased from Modesto growers.

Conforti has been in Sonoma Valley for the past six months contracting for grapes in this vicinity and has left much money with vineyardists of Sonoma, Napa, Cordelia, St. Helena and other places. He bought grapes all the way from \$30 to \$110 a ton for Eastern shipment and every carload shipped cost him \$800 in freight alone.

While here he was ably assisted in the field and with his accounts by Miss Catherine Laurenzi who became interested herself in grape buying and got in touch with New York buyers for whom she put through some very profitable deals. Miss Laurenzi is a plunger on grapes and after contracting for Alentejo Bunchets at \$140 per ton succeeded in turning them over to a New York firm for \$315 f. o. b. Sonoma.

The grape and wine season has closed in Sonoma Valley, the excellent weather of the past ten days having proven a great boon to our vineyardists.

E. J. Harris who has been away on a business trip returned Tuesday in time to cast his vote for President Harding.

DEATH OF H. V. RAMSDELL

H. V. Ramsdell of San Francisco whose family has often visited here at the Henry Wicker and W. L. Murphy homes was called by death at his home in the metropolis Tuesday. Heart failure was the immediate cause of his passing. Besides a widow, he leaves one son, Leland Ramsdell to mourn him.

Mr. Ramsdell was from the state of Maine and an exceptionally fine man. He was prominent in the business and club life of San Francisco and owner of the big firm of Bullock and Jones.

In days gone by he had often come to Sonoma to fish and hunt with the late H. H. Granice.

His death will be keenly regretted by all who knew him.

CONDUCTOR PFAFF'S FATHER DIES

Bernhardt G. Pfaff of Glen Ellen died at the family home Sunday after a short illness. He was a native of Germany 70 years of age, and had resided in this country most of his life and in California for many years.

He is survived by a widow, Dorothy Pfaff, and four children, Henry and Louis Pfaff, Mrs. C. E. Fowler and Mrs. A. B. Fowler. The body was taken to San Rafael for the funeral Wednesday followed by cremation in Oakland.

DR. THOMSON SUES FOR MONEY DUE

Dr. A. M. Thomson filed a suit in the superior court Monday against H. G. Sinclair of Lakeville to recover \$929.80 alleged to be due for medical, nurse and hospital services given William, Robert and Nellie Suggs at various times and places for the past year or more.

The physician sues for \$218 medical services given himself; \$180 for nursing, an assigned claim of M. M. Reeder; and \$523.80 for hospital service, and assigned claim of Elizabeth Crane.

It is alleged that the services were all given as the result of the order and direction of the defendant, who as superintendent of the A. W. Foster ranch at Lakeville, promised to see that the bills were paid. Valandigham and Quackenbush represent the plaintiff.

PUBLIC HEALTH NURSE'S REPORT FOR OCTOBER

Many School Children Examined and Found to be Underweight. Red Cross Drive This Month.

Sonoma Valley's Public Health Nurse, Henrietta Koch, has had an unusual busy month during October as her report herewith given will show. The startling fact is disclosed that out of 198 school children examined, 131 seemed to be underweight as a result of malnutrition.

The Public Health service which is maintained by the Red Cross will continue to be available to the community, the big membership drive this month for Red Cross memberships making possible necessary funds for the local work.

During the past month Miss Koch who has supervision over the district from Kenwood to the Napa County line attended many important and beneficial meetings, gave a talk before the Glen Ellen Women's Club, attended a clinic at the State Home, Eldridge, distributed warm clothing to three needy families in the valley and did many other things in her line of work which she summarizes in detail as follows:

CONFESSES TO SETTING FIRE AT KENWOOD

One of the cleverest bits of detective work accomplished in Sonoma county in years was engineered by Deputy Sheriff John M. Boyes when he secured a confession from Steve Slavkoff that he set fire to the "Ned" Wilson store at Kenwood, razing one of the most valuable business houses in that section and practically destroying a stock of goods worth in the neighborhood of \$18,000.

So far Slavkoff has declined to state his motive for the burning of the Wilson store, but the sheriff's office is confident that they will get him to divulge his motive for this act.

Slavkoff is now in the county jail, and a charge of grand larceny has been placed against him. When Slavkoff was taken, the authorities here say that he had in his possession three stolen automobile tires which he had not disposed of.

Stephen Slavkoff was arraigned before Judge Vaughan on a charge of arson and date of preliminary examination was set for Saturday, Nov. 6th. Bail was set in the sum of \$2,000.

Dr. A. E. Osborne, former medical superintendent at Eldridge, is a newly elected assemblyman from Santa Clara County to Sacramento.

VINEBURG NEWS

After nearly a quarter of a century this section of Sonoma Valley has succeeded in electing a Supervisor to represent them at the county seat, our esteemed and progressive citizen Frederick A. Lowell. This was not the case of the "man seeking the office," but a case of the "office seeking a man to fill the office" and they found an elected him, and have full confidence in his qualifications, good judgment and business ability to fill that office.

Who said Vineburg was not on the map? Miss Henrietta Weber of San Francisco spent the week end as guest of Mr. and Mrs. Grover C. Rubke.

Miss Ida Speigle was the guest of her aunt, Mrs. Dominick Colli at Bird Nest cottage on Sunday last.

Mr. John Douglas of Napa Valley came over to the burg to cast his vote on Tuesday last and his host of friends were glad to see "Jack" as there are only a few of us left.

Up to date six straight carloads of dried prunes have been shipped from this point. Other dried fruit is "resting easy."

Fred Batio made a business trip to the metropolis on Thursday last. David Volquardsen, the well known arctic well sinker struck a fine flow of water on the Harry Beers place on the Hyde tract last week at the depth of 100 feet, and Mr. Beers now has water "galore".

The packing house at this place will close about Saturday after running since July 7—only losing 11 working days during season. The season was a successful one, the pack amounting to between 24 and 25,000 boxes of apples.

IBSEN'S "GHOSTS" COMING TO CLINE THEATRE

Mr. Henry B. Walthall, America's great screen personality who is touring these United States in Henrik Ibsen's "Ghosts" and who opens at the Cline theatre, Santa Rosa, on Tuesday night, Nov. 9, for a one night engagement, has the following to say regarding the Norwegian's dramas.

"Ibsen makes an appeal to the actor's imagination, to his brain, to his soul. He is a constant mental stimulus to the player. The author of what we call a story-book play makes no such demand on the actor and affords no stimulus."

Ibsen has revolutionized the drama in every country in the whole world. People do not realize this because they see little of Ibsen and a great deal of the Ibsen delusions. Ibsen's mastery in the creation of character has no equal.

Mr. Walthall believes Ibsen is the apostle of absolute truth and that his dramas mean something that is human. His opinion is not one expressed for effect. He is too great an artist to employ such methods.

Sent sale Saturday Nov. 6, Prices 50c, 75c, \$1.00 and \$1.50.
